Our Taster Courses are a great way to discover what it's like to live and learn at Telford.
Join us for four fun-filled days!

Are you interested in a career in the agriculture industry? Then Telford is for you!

Our campus is located six kilometres from Balclutha, South Otago, on an 850-hectare commercial farm. We offer certificates in agriculture, apiculture, equine, rural veterinary technician, farming (dairy) and a diploma in agriculture.

These affordable full-time programmes consist of relevant theory and practical 'hands-on' work to give you the skills you need. There are great scholarships on offer and accommodation available on campus. To find out more, come to one of our Taster Weeks.
